

Include only acceptable items

Check the Waste Wizard tool for disposal and recycling information. The tool is free and available on SOCRRA's website or as a free mobile app.

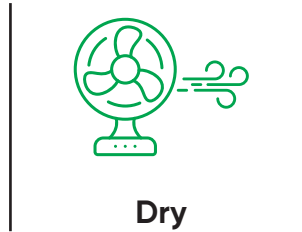

www.socrra.org/waste-wizard

Set out to the curb before 7am on your collection day

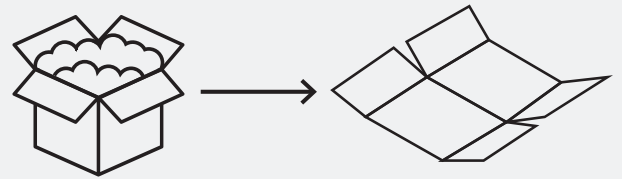

Keep your recyclables empty, clean, dry, and loose.

Do not place recyclables in plastic bags. These steps help prevent contamination of other recyclables.

How to Prepare Cardboard

All cardboard must be placed in the cart for collection. Please flatten completely, and if necessary, cut so it fits in the cart. Please remove and dispose of all packing material. Beware! Cardboard jammed into the cart may get stuck, so please follow these guidelines to ensure your cart can be fully emptied.

No Tanglers

Tanglers are items that can wrap around and jam the gears in the recycling sorting machine. Do not place plastic bags in your recycling cart.
